SHOP IT LIKE IT'S HOT

We browse real estate listings like fashion fans browse clothing racks, and this hot little number really caught our eye. Care to try it on for size? It's a fresh and stylish space located on busy East Pearl Street – just blocks from the pedestrian mall – so you basically get built-in window shoppers as part of the deal. There's also visible signage, a back-of-house perfect for storing inventory, and so much light, it's like a runway.
